TIMING

BOOK IT CLOSE TO CLOSING.

- Schedule it shortly before your closing date
- Ask your agent to set the time with the seller's side
- Plan enough time to go room by room

REPAIRS

CONFIRM AGREED REPAIRS.

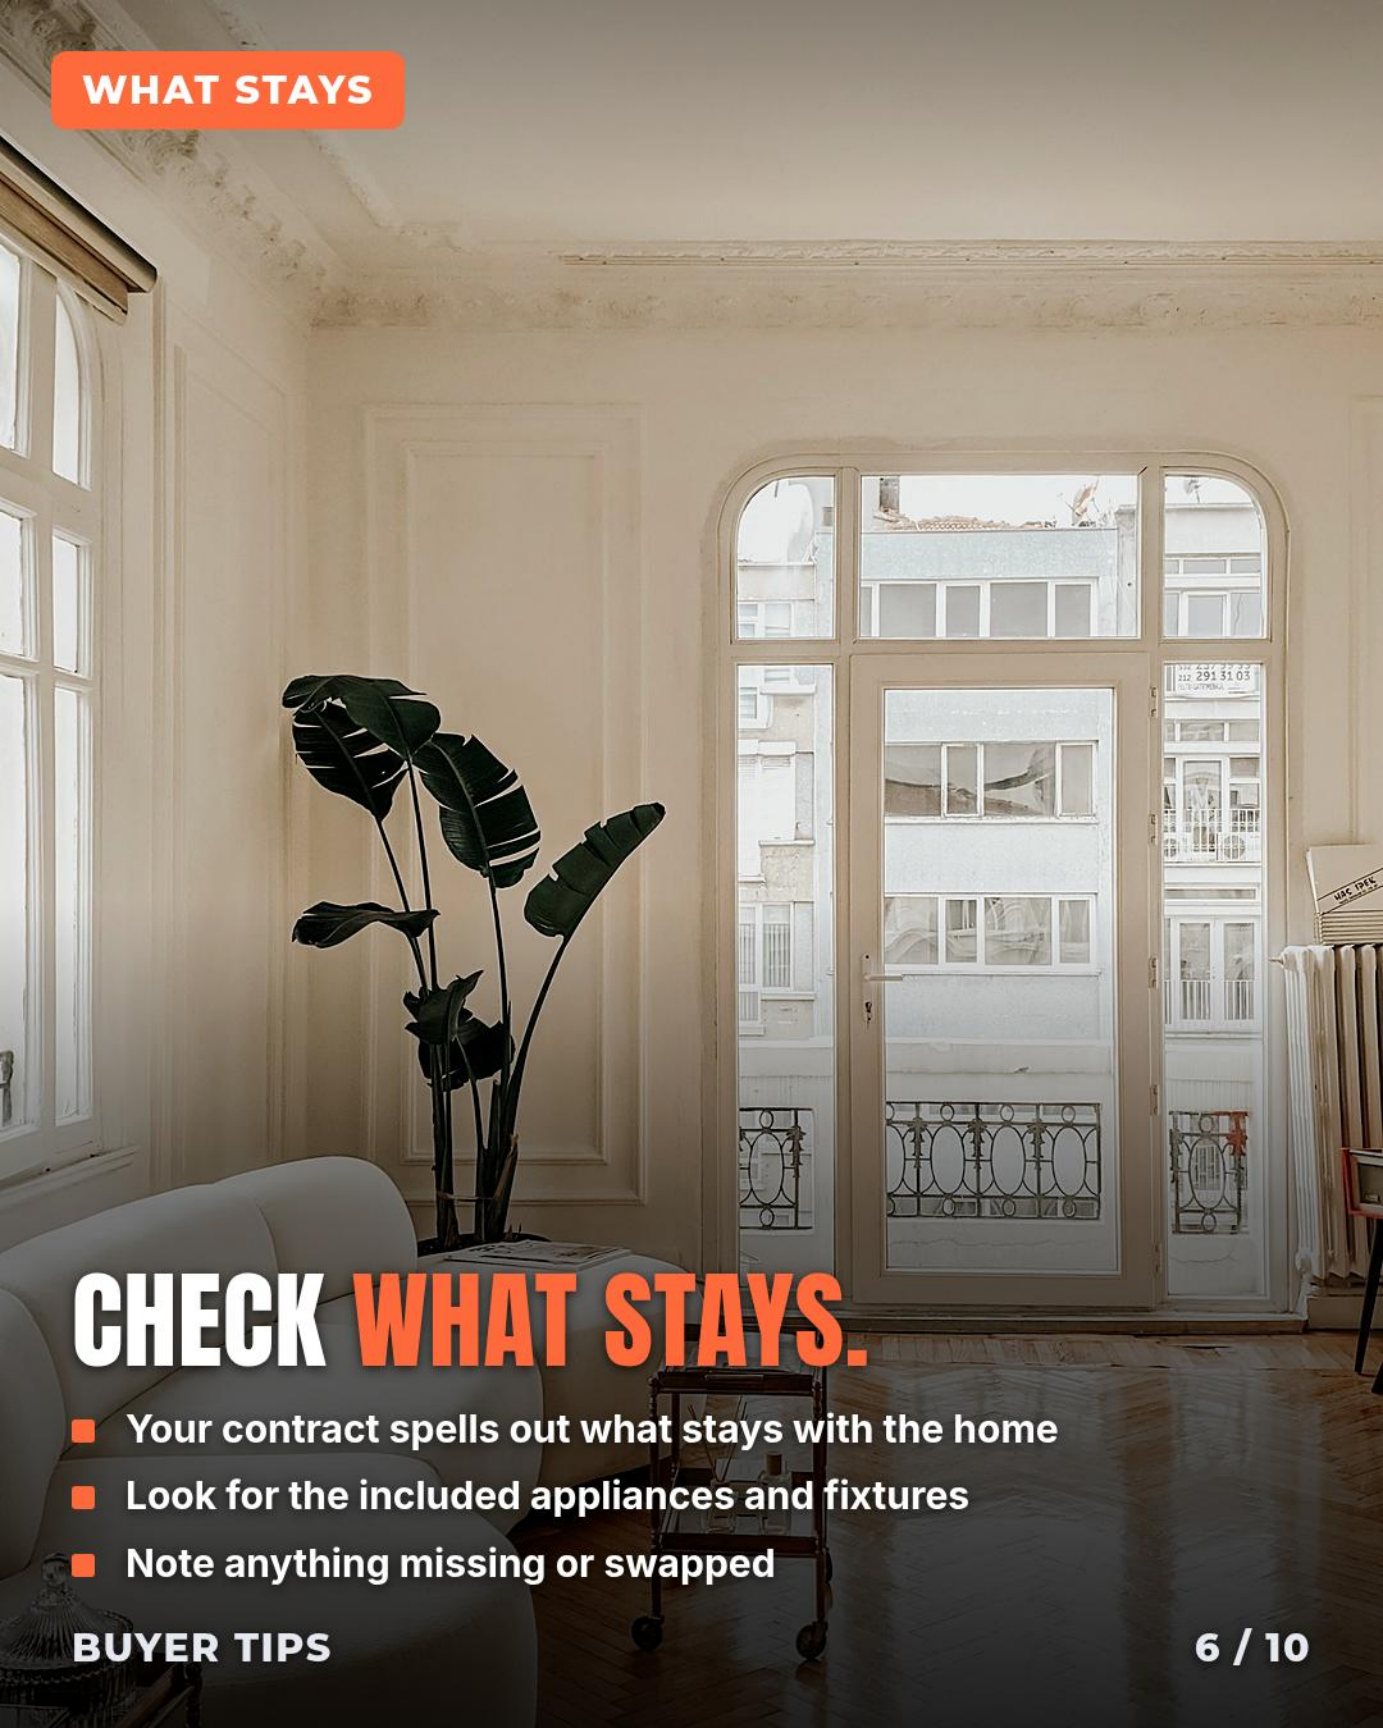

- Bring the written list of repairs the seller agreed to
- Check each item yourself
- Ask for receipts or paperwork for completed work

SYSTEMS

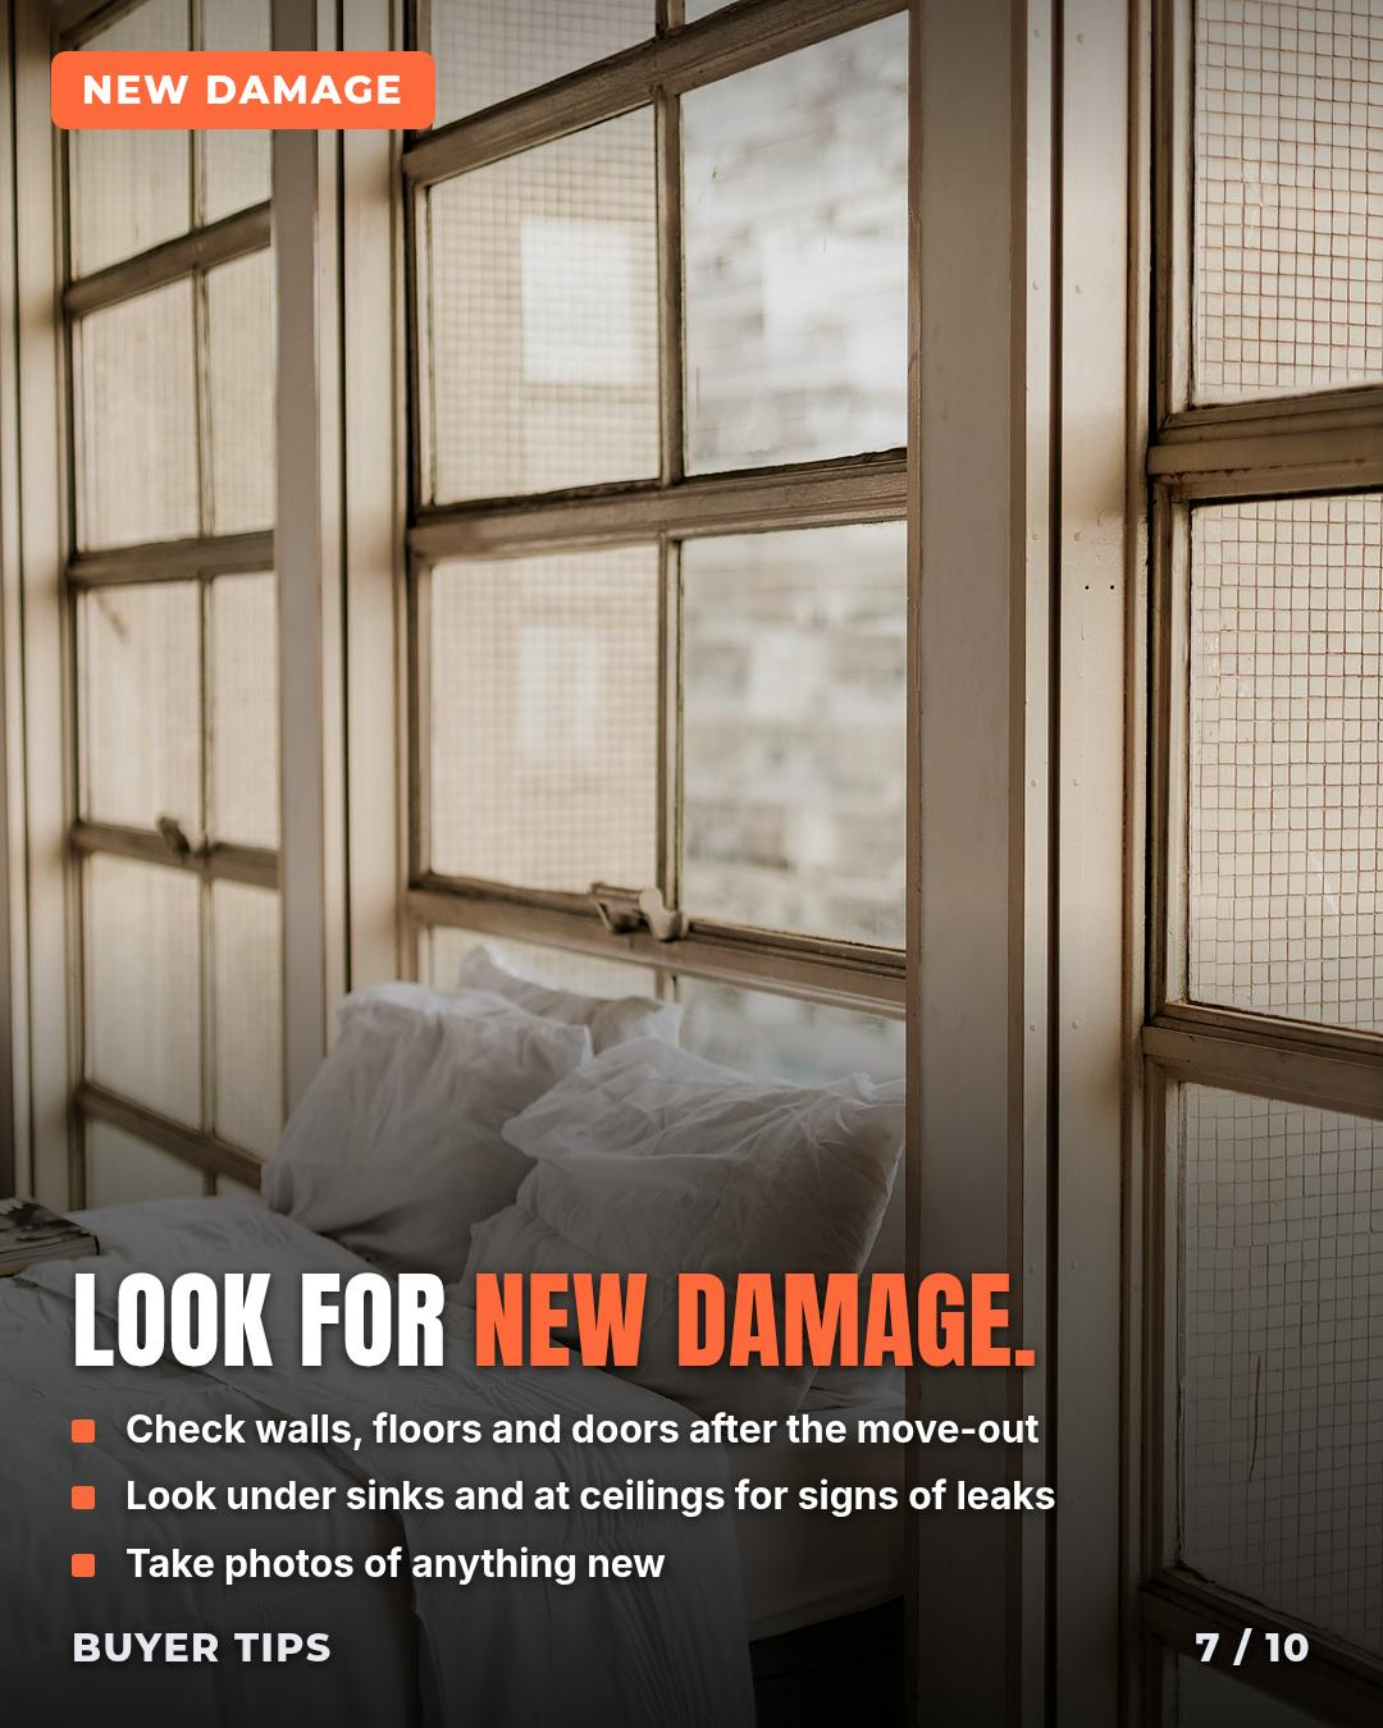

TEST WHAT YOU CAN.

- Run faucets, showers and toilets
- Turn on the heat and air, lights and fans
- Try the appliances that stay with the home

CHECK WHAT STAYS.

- Your contract spells out what stays with the home
- Look for the included appliances and fixtures
- Note anything missing or swapped

LOOK FOR NEW DAMAGE.

- Check walls, floors and doors after the move-out
- Look under sinks and at ceilings for signs of leaks
- Take photos of anything new

OUTSIDE

WALK THE OUTSIDE TOO.

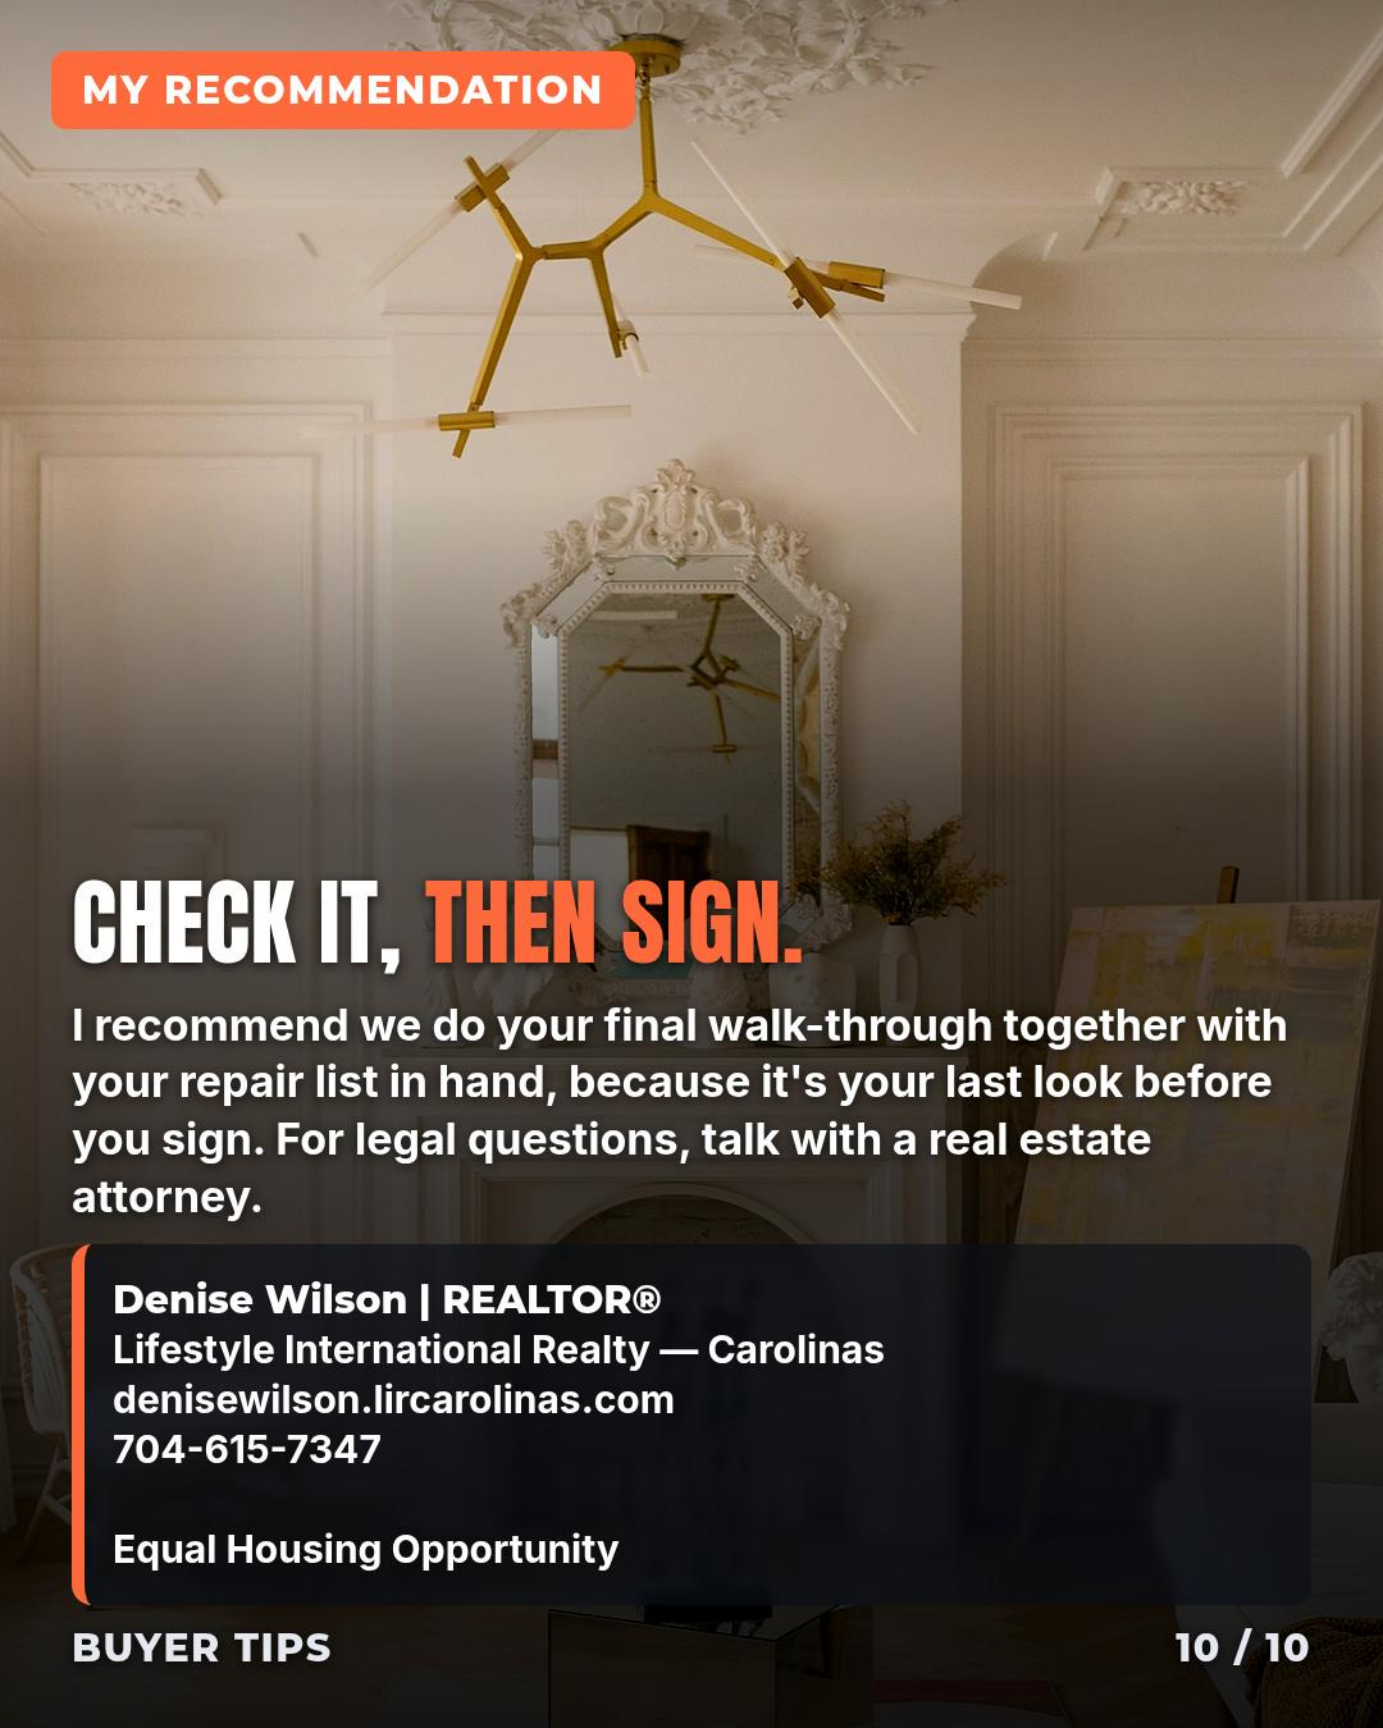

- Look at the yard, roofline and gutters from the ground
- Confirm keys, codes and garage remotes are ready
- Note items left behind that were to be removed

SPEAK UP

SOMETHING OFF? SPEAK UP.

- Tell your agent right away, before you sign
- The CFPB suggests contacting the seller right away about repairs or items not in place
- Your options depend on your contract, so ask your agent or closing attorney

MY RECOMMENDATION

CHECK IT, THEN SIGN.

I recommend we do your final walk-through together with your repair list in hand, because it's your last look before you sign. For legal questions, talk with a real estate attorney.
