BUYER TIP 1

UNDER CONTRACT? PLAN THE CLOSE.

FROM CONTRACT TO KEYS

The weeks between an accepted offer and closing day shape how smoothly you move in. Here's how I recommend using them.

BUYER TIPS

THE MARKET

CHARLOTTE RIGHT NOW

AS OF OCTOBER 2026

MEDIAN LIST	$421,450	
SALE-TO-LIST	99%	1.16% under ask
DAYS ON MKT	63	median
ACTIVE	6,000	+13.79% YoY

More homes to choose from than a year ago, and offers still land close to asking. Plan your closing as carefully as your offer.

BUYER TIP 2

CHECK YOUR RATE LOCK

- A lock keeps your rate from changing until closing, if you close in time and your application doesn't change
- Locks typically run 30, 45 or 60 days. Make sure yours covers your closing date
- Extending a lock can be expensive, so ask about it up front

BUYER TIP 3

KEEP YOUR FINANCES STEADY

- Even a locked rate can change if your loan amount, credit score or verified income changes
- A new loan or a missed payment can move your credit score
- I recommend checking with your lender before any big purchase or job change

BUYER TIP 4

GET A COPY OF THE APPRAISAL

- On a first-lien mortgage, your lender must give you a free copy of every appraisal
- It's due promptly when it's done, or three business days before closing, whichever is earlier
- You may be asked to waive that timing. Think it over before you agree

BUYER TIP 5

LINE UP INSURANCE EARLY

- Lenders generally require proof of homeowner's insurance
- Standard policies don't cover flood or earthquake damage, though you may be able to add it
- You can shop for your own policy and compare it with your Loan Estimate

BUYER TIP 6

READ YOUR CLOSING DISCLOSURE

- Your lender must give it to you at least three business days before closing
- Compare it with your Loan Estimate: loan type, rate, monthly payment and fees
- By law, only certain costs can change. Ask about anything that did

BUYER TIP 7

VERIFY EVERY WIRE

- An email with last-minute changes to wire instructions may be a scam
- Confirm by phone with trusted contacts, using numbers you saved in advance
- Never use phone numbers or links from the email itself

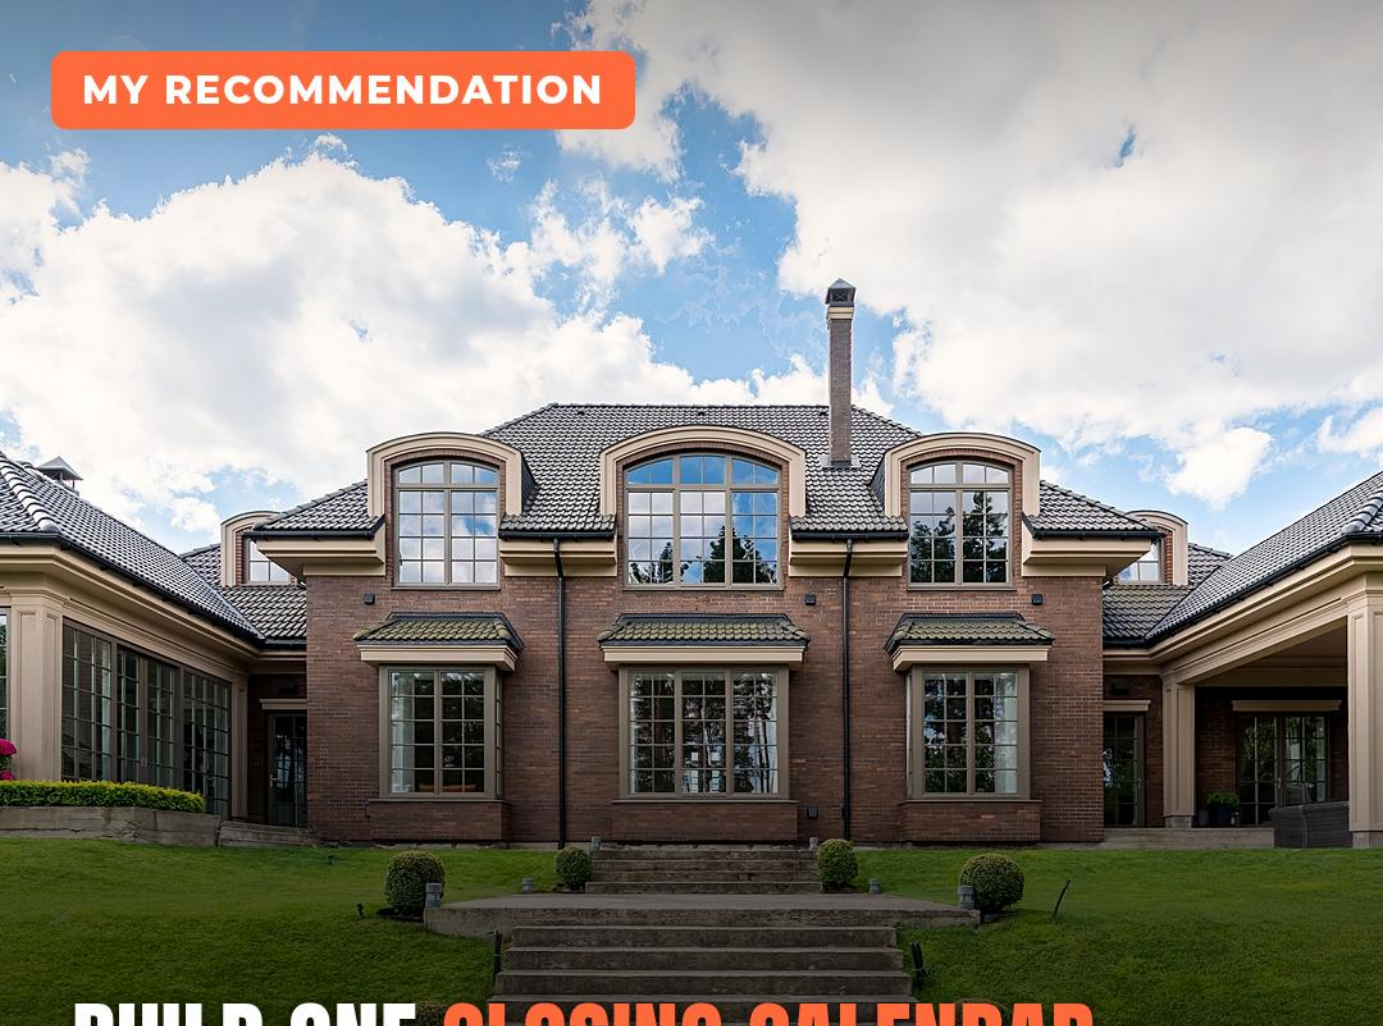

BUYER TIP 8

GET READY FOR CLOSING DAY

- Bring your ID, your Closing Disclosure and your payment or proof of wire
- Take all the time you need to read every document
- NC: keys, codes and garage openers are delivered at Closing unless an agreement says otherwise (Form 2-T)

MY RECOMMENDATION

BUILD ONE CLOSING CALENDAR

I recommend putting your rate lock, appraisal, insurance and Closing Disclosure dates on one calendar the day you go under contract. Let's map yours together.
