TIP · COMPARE

ARM OR BUYDOWN? LOOK PAST YEAR 1.

Two different shapes of a low rate

- KB's 5/1 ARM holds 4.99% for 5 years, then can adjust
- Mattamy's 2/1 buydown steps 3.99% to 4.99%, then stays at 5.99% fixed
- Ask each lender for the payment in year 3 and year 6

Tip from each builder's posted terms, read Oct 27, 2026. Terms and eligibility set by the builder; subject to change.

Photo: KB Home

TIP · DEADLINES

SIGN-BY IS NOT CLOSE-BY.

Read which date each offer is tied to

- KB Home: purchase agreement signed by Oct 31, 2026
- Mattamy Homes: contract by Oct 31, 2026 and close by Nov 30, 2026
- Quick move-in homes are the ones that can meet a close-by date

Tip from each builder's posted terms, read Oct 27, 2026. Terms and eligibility set by the builder; subject to change.

Photo: KB Home

TIP · LENDER

THE BUILDER'S LENDER IS PART OF THE DEAL.

Both offers require the builder's affiliated lender

- KB Home: KBHS Home Loans; Mattamy Homes: Mattamy Home Funding
- Another lender is allowed, but the offer is lost, per the builders' terms
- Get a Loan Estimate from each and compare the cash to close

Tip from each builder's posted terms, read Oct 27, 2026. Terms and eligibility set by the builder; subject to change.
